

SCORGE

Woah, no way.

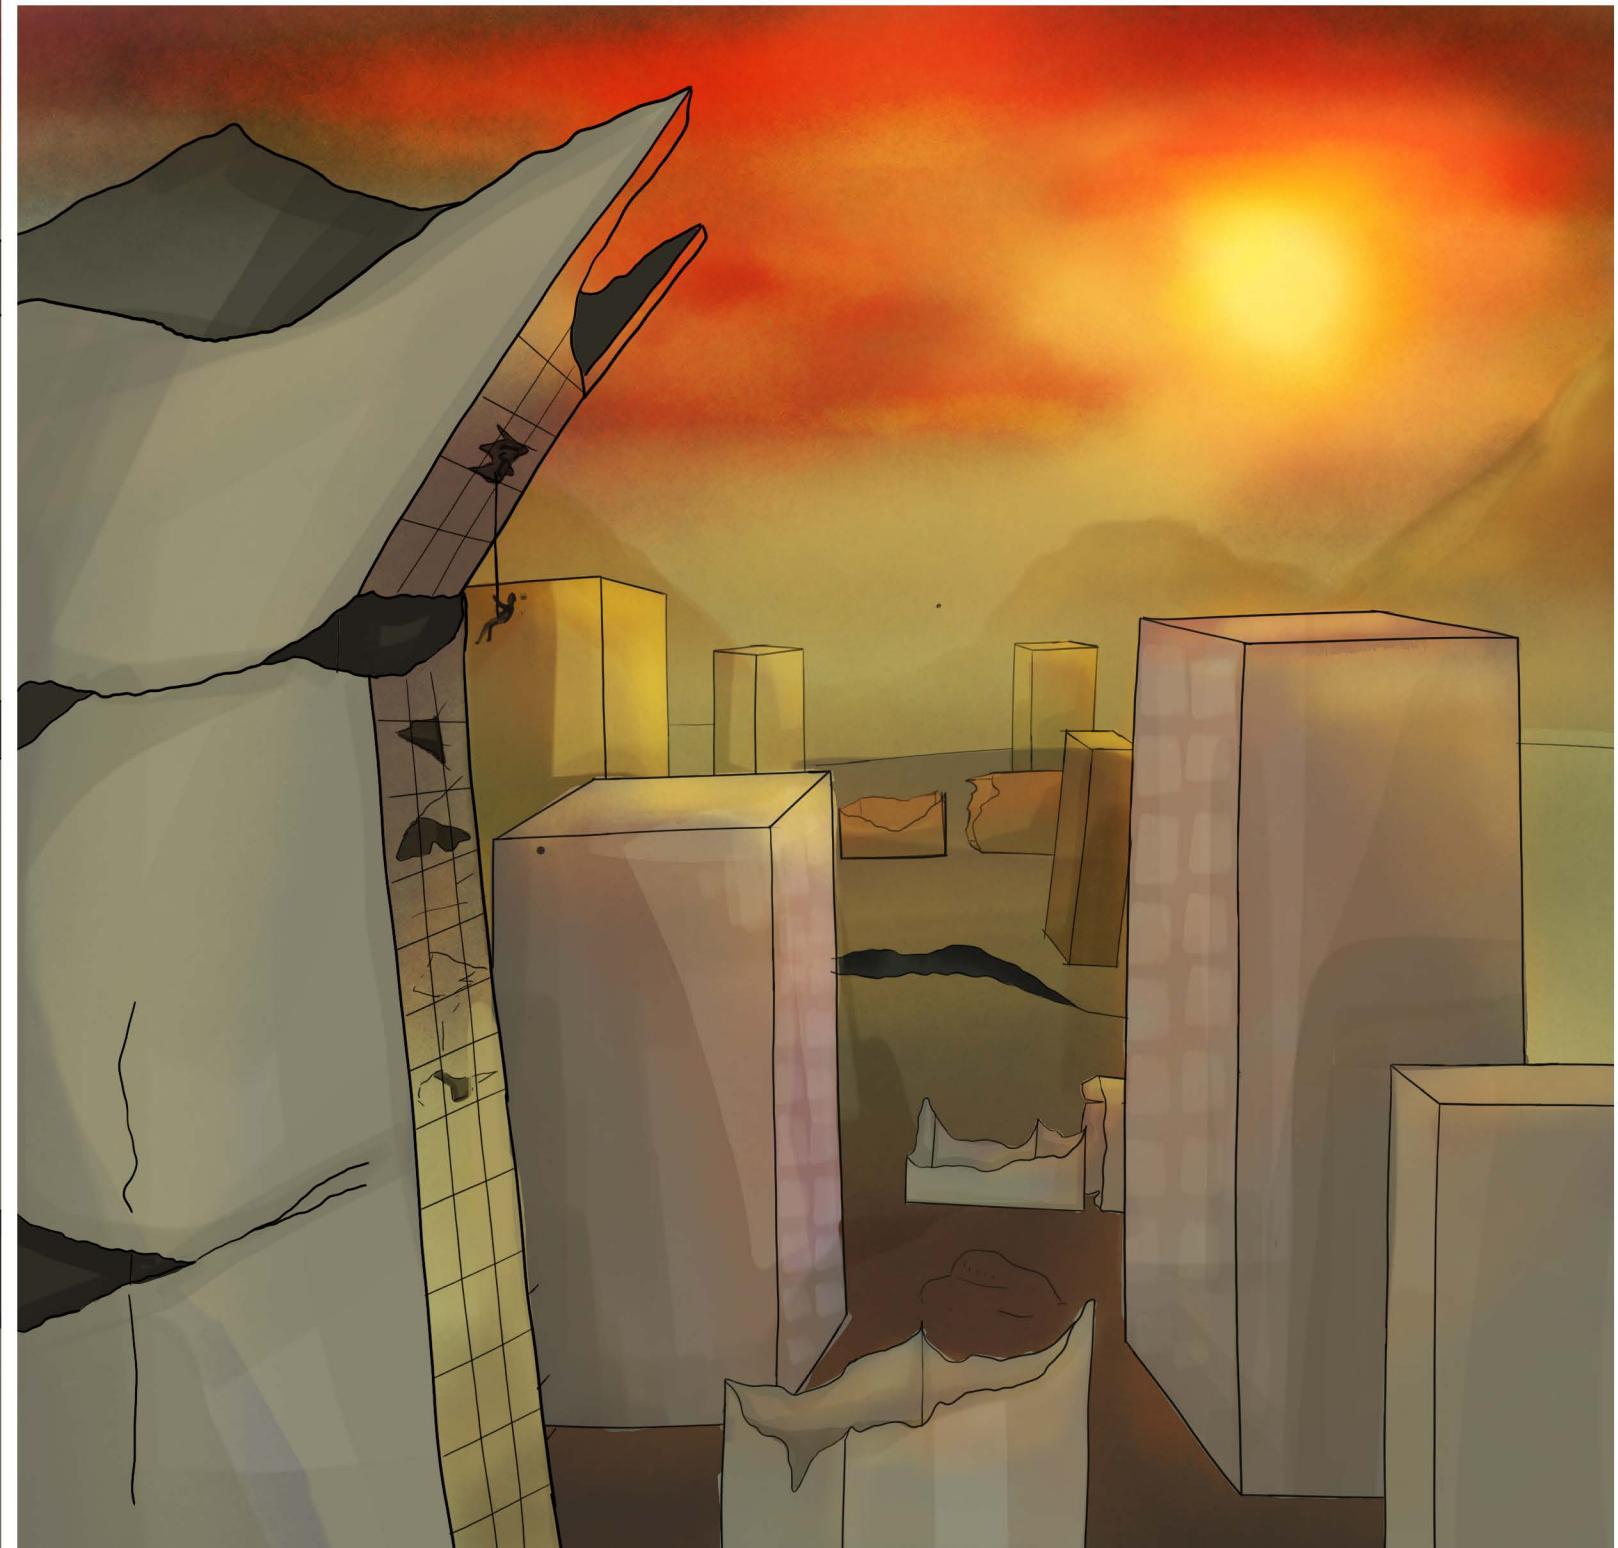

Hey, come check this out

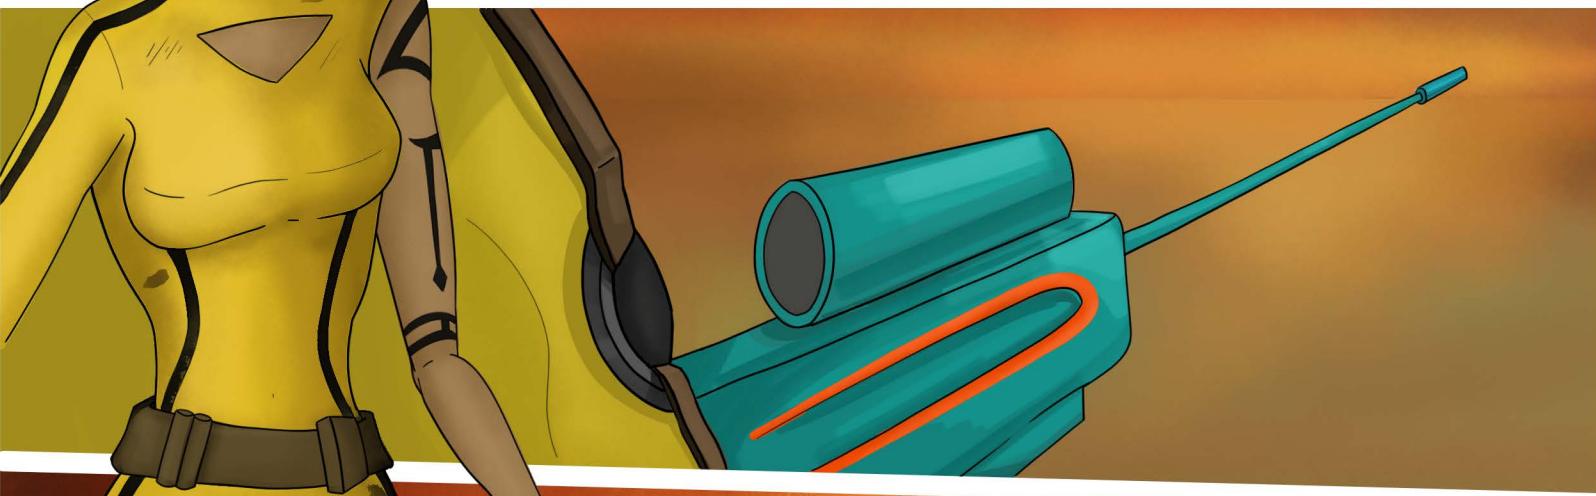

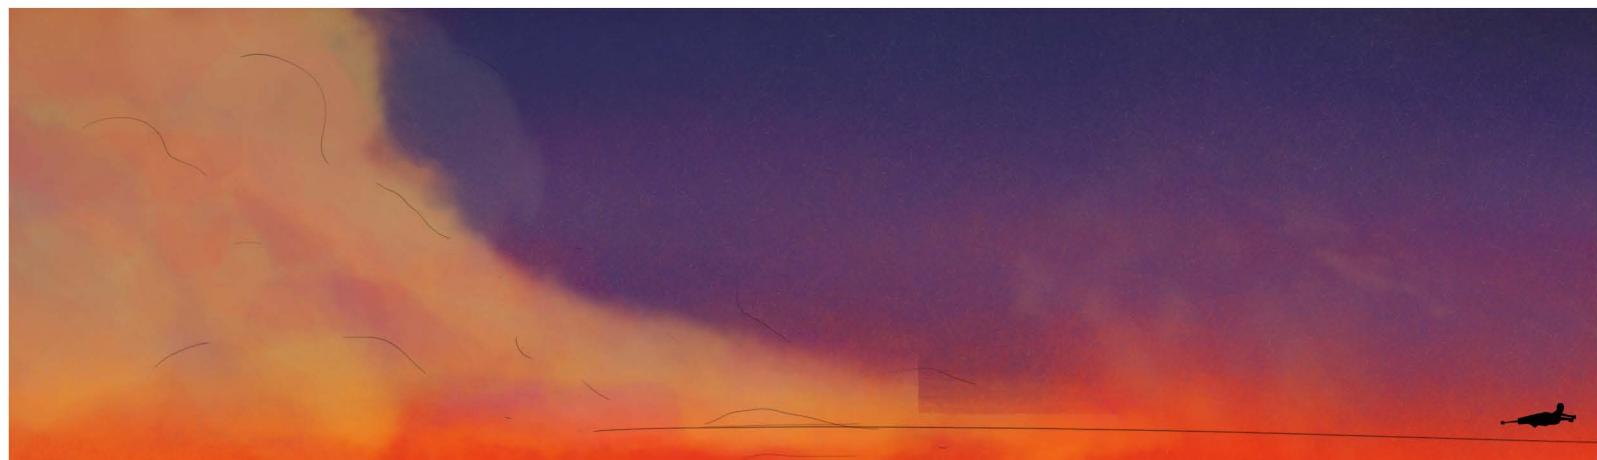

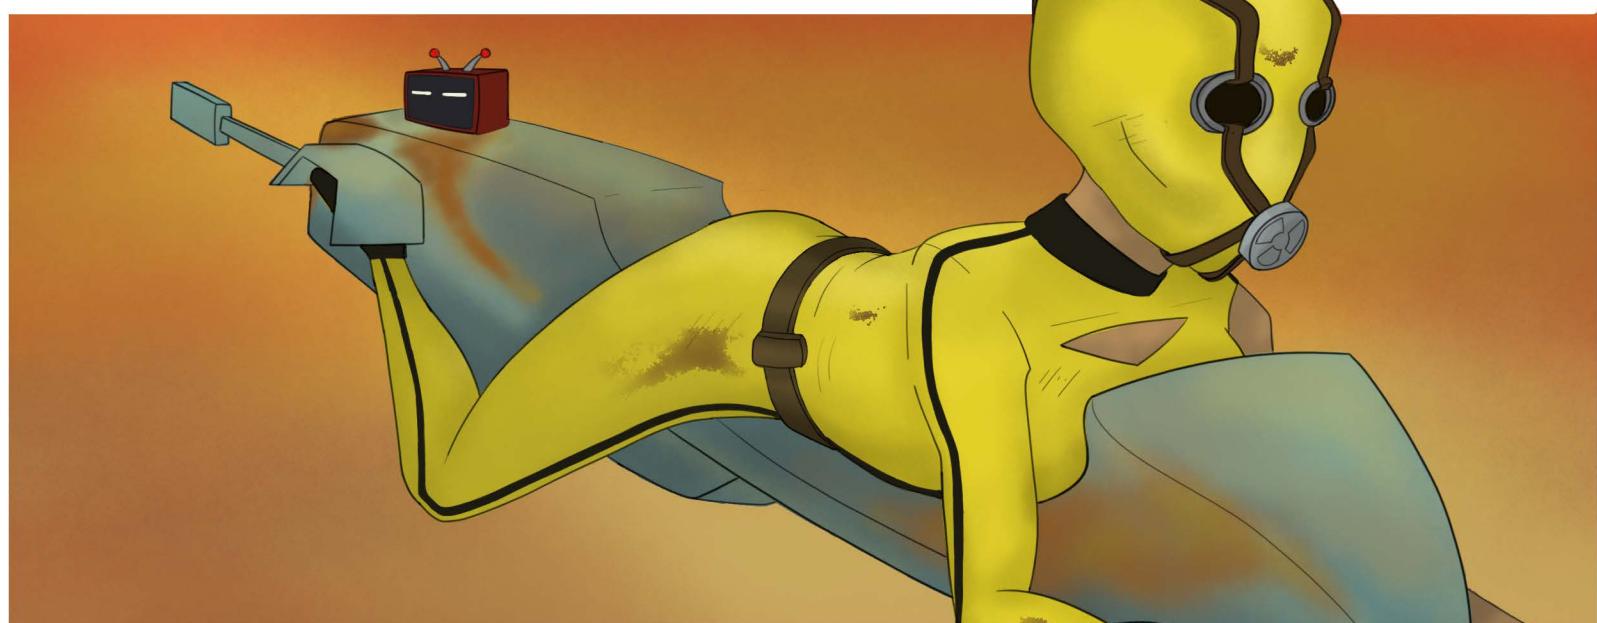

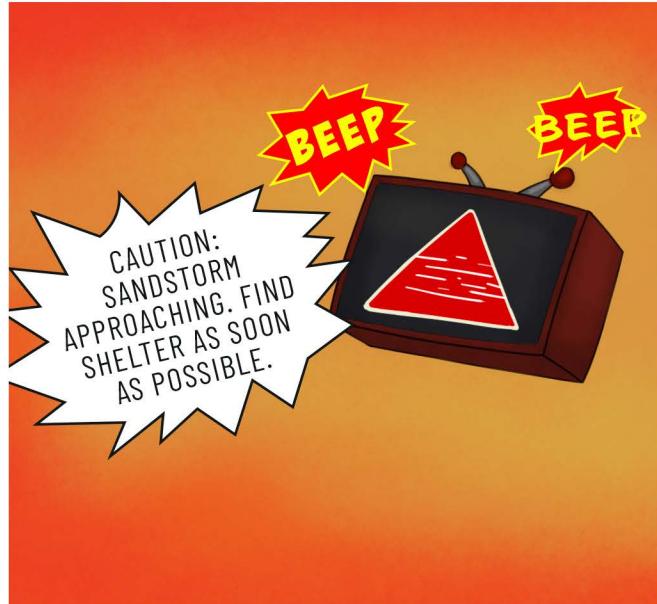

It's that thing I've been looking for! I hope it works.

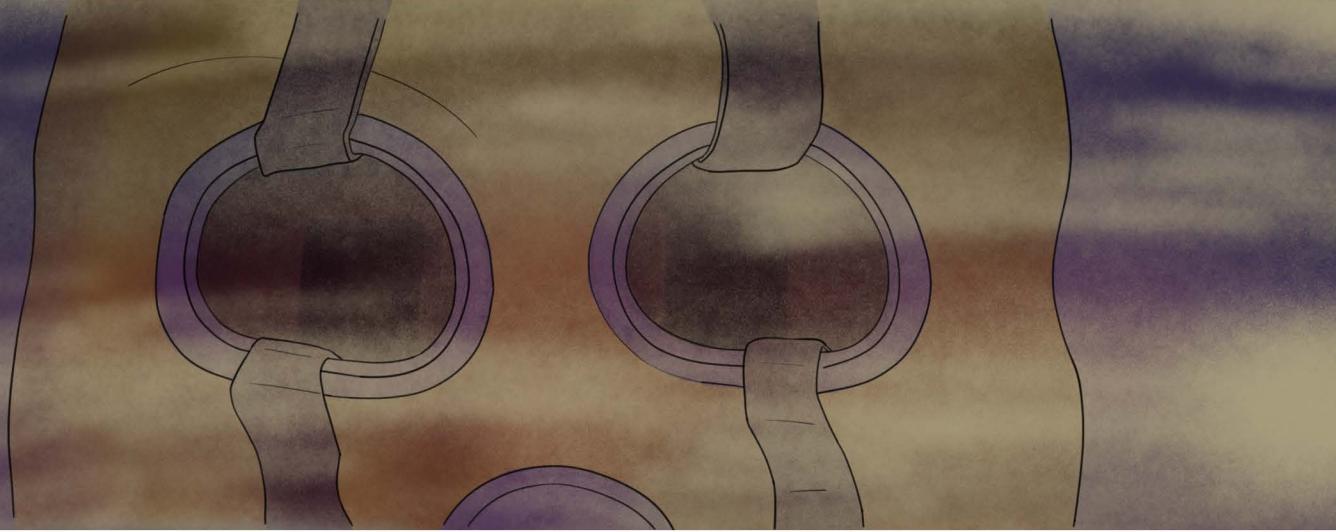

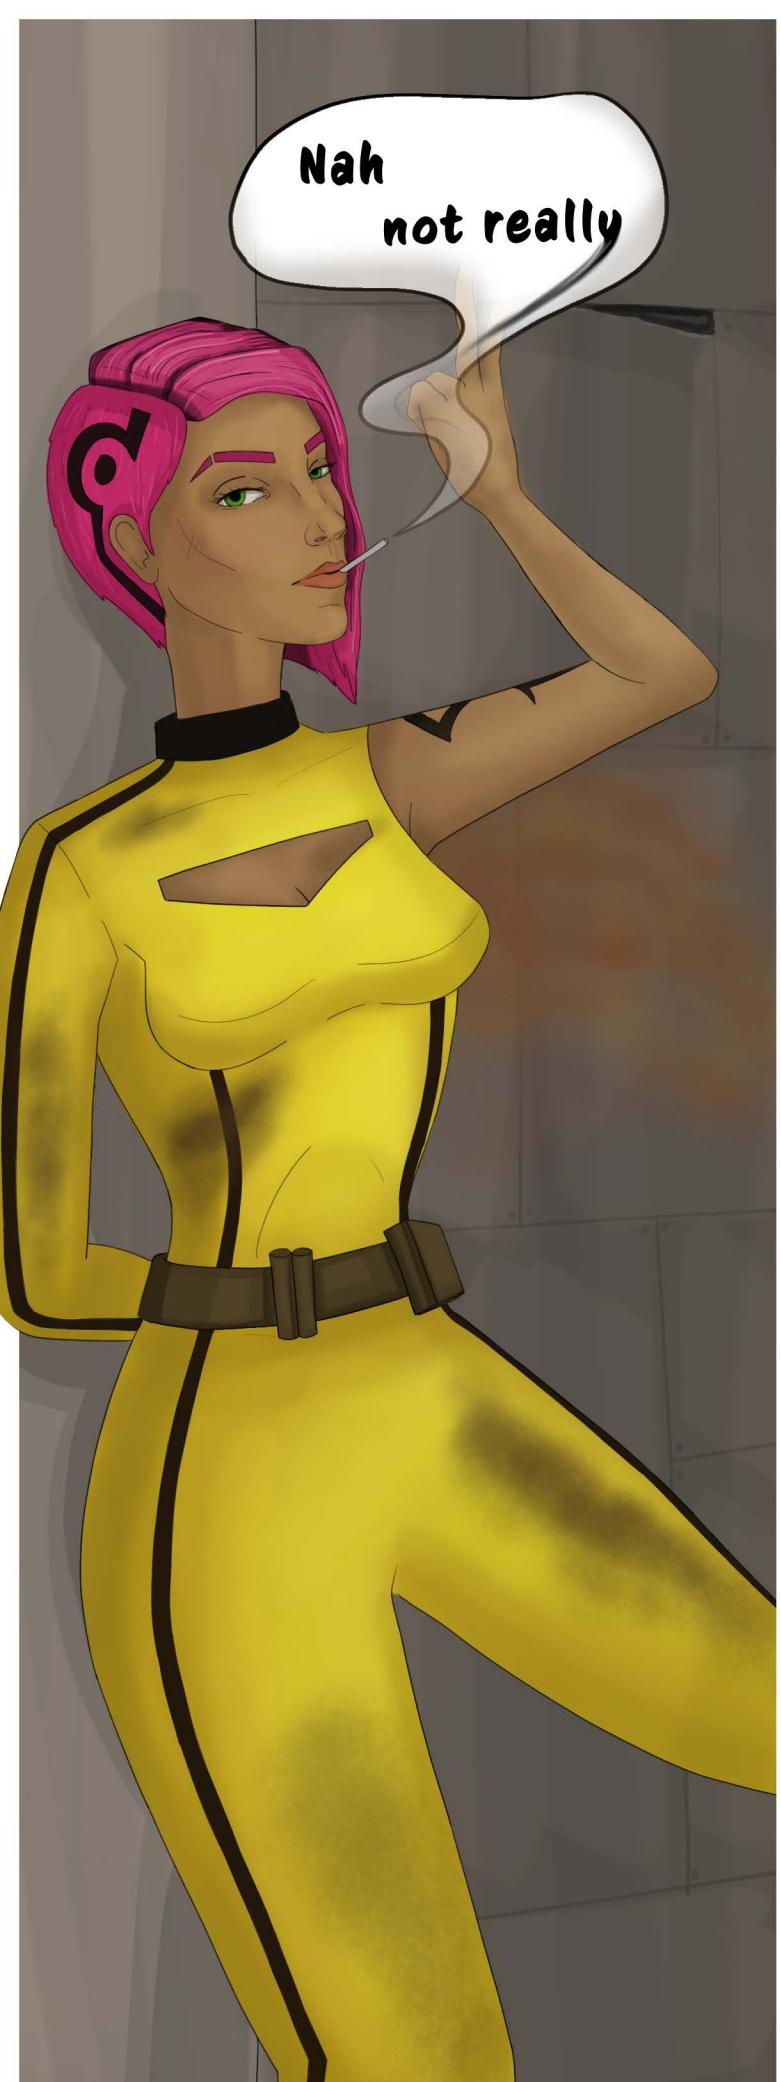

I put it in the holochrome, I guess we can get going.

Okay, I
probably deserved
that...

Good, because
there's plenty more
where that came
from

We both know you
wouldn't survive a
second in the
Scorge.
Come on, get up.

Ya you're right

I'm going
to head
off. Don't
stay up too
late.

Ugh, I just fixed my hair

So you get to sneak out at
night and I have to stay
here...

Who says I sneak
out?

I've seen you...

No you haven't...

Rov-E run weather diagnostics

Storms finally gone

Great! Let's go...

CLACK

Finally...

I hope this thing works

STATIC

Somebody once told
me the world is gonna
roll me...

I ain't the
sharpest tool in
the shed ...

She was looking kind of
dumb with her finger and her
thumb, in the shape of an "L" on
her forehead...
